Altona West Development

The proposed development of about 300 acres west of the Explosives Reserve Buffer Zone was the subject of a report presented by Cr. W. L. J. Crofts at the meeting of Altona Shire Council last week.

Notla Investments Pty. Ltd. has made a further application to the Board of Works for a "Land Use Permit" for this land. A copy of the application was forwarded to council.

The matter was referred to Cr. Crofts, who was asked in his capacity as councillor handling Zoning and Subdivision affairs to report on the proposal.

Cr. W. L. J. CROFTS.

Cr Crofts gave an extremely comprehensive and detailed statement in which he recommended a cautious approach.

The report was strongly approved by individual councillors. However, adoption of the report was held over pending a preliminary meeting with the promoters of the subdivision to clear up certain points.

The land in question covers 328 acres. It has a northern frontage to Queen Street of 680 feet which widens as it extends southwards for over 8620 feet (over 1½ miles) and is located immediately west of the Buffer Zone.

Important points in Cr Crofts' report were, "I strongly believe that the development of the Truganina Explosives Reserve and Buffer Zone as proposed by the council to the Hon. the Premier is or should be the basis for our thinking when discussing the development of Altona West.

"The price of land in the present subdivisions in Altona where streets have been constructed is in the vicinity of \$3000 to \$3600 and this is forcing prospective home owners to look elsewhere for cheaper land. We must help the young people to obtain a home and by the council developing these areas we can do just that."

In June of last year in response to an earlier application regarding this land the council stated that it intended to maintain this zoning until facilities are provided in the area and further that 10 per cent. of the land be set aside for council purposes. The council in its letter to the Board asked that the Board refrain from re-zoning until the future development of the

Explosives area and Buffer Zone is determined.

The Board in July refused the application. One of the grounds being that development of the land would be premature.

However, the company made a further approach to the council in November stating it would, if permitted to develop the property, be willing to give 10 per cent. of the land for council purposes.

The council then agreed to concur with the re-zoning proposals provided that the company was prepared to have a restrictive covenant placed on the title recording the transfer of 10 per cent. of the land to the council.

Apparently at this time it was rumoured that the land in question was being offered for sale to various persons and the council sought to protect its interests. These possible sales were referred by the Shire Secretary (Mr J. W. Waters) in his letter to the company in which he further said that subject to a restrictive covenant of 10 per cent. the council would be prepared to discuss the matter further. There has been no further mention of the 10 per cent. and no discussion.

Cr Crofts then critically commented on the details of the latest application which showed a shopping area of 51 acres including space for 120-200 shops, and a neighbouring area of 277 acres including 1100 house allotments.

He concluded with the following recommendations—

1.—That council continue with their agreed policy not to re-zone the area of land owned by Notla Investments Pty. Ltd. from rural to residential at this stage. Should the company be prepared to accept the following conditions itemised (a), (b) and (c), the council would then be prepared to consider a further application for re-zoning and subdivision of this land;

(a) A satisfactory restrictive covenant is placed on the title of land, specifically giving 10 per cent. of the land to the council;

(b) That the company enter into a bond that it installs a large water main, satisfactory to the MMBW from which reticulation mains could be led to serve the estate; and

AWARD FOR SERVICE

It was a happy occasion for Mr. Frank Cahill, of 54 Millers Road, Seaholme, when he was presented recently with a tie-pin in recognition of his completion of 10 years service with Altona Petrochemical Company (including service with an associate company).

Mr. Paul Moore, Mechanical Superintendent, shown on the left in the picture above, made the presentation on behalf of the Company.

Frank has also completed 10 years as a resident of Seaholme and is well-known at Koorling Golf Club where he is a member of the General Committee and also the Chairman of the Greens Committee.

He was a foundation member of the Altona Working Men's Club.

Two of his children, Elizabeth and Michael, attend Altona High School.

(c) That the company enter into a bond that it installs a main drain or drains to the satisfaction of both the MMBW and council so that the whole area can be adequately drained.

2.—That council advise the MMBW of its decision.

3.—That council requests the MMBW to advise whether the Board still regards the development of this land as premature as the Board so advised on July 25, 1965, and/or if there is likely to be any change of the Board's policy in the near future.

4.—That council ask the MMBW whether the sewerage treatment works planned for this area will be able to cope with the proposed urban township of 30,000 people.

Action On Briquette Dump

The Hon. Cr. A. W. Knight, M.L.C., will lead an eight strong deputation to the Minister of Power and Fuel to urge the removal of the briquette depot from the site in Altona North.

This decision was decided at a protest meeting organised by the Altona East Branch of the A.L.P., and held in the Altona North Youth Hall last Saturday night.

The fifty people who attended were a cross section of the community from Brooklyn, West Newport, Altona, Altona North and Altona East.

Besides the Hon. Alex Knight, Altona Shire President, Cr S. G. McIntosh, and Crs Crofts, den Dulk, Fisher, Ginifer and Lee were present. The deputation will consist of two councillors—McIntosh and den Dulk—Messrs. Maroneski, Calvert, Durbridge and Pierce, and Mesdames Trest-rail and Witting.

Cr Knight said the depot known as the Paisley Depot is the number one fuel depot for the SEC in the metropolitan area. It supplies briquettes mainly for industry and the Newport Power House. He also revealed that the Power House is expected to close down in the 1970's. It has been gradually doing so for a number of years and will cease operating as more economical stations come into operation.

This should mean that such large stocks of fuel will not be needed.

At the meeting it also was agreed that signatures be gathered for a deputation to be presented by Cr Knight to the Legislative Council. Arrangements for the signatures have still to be made.

NO IMMEDIATE START ON SPECIAL SCHOOL

It is unlikely that tenders for the erection of the mentally handicapped children's school at the corner of Ross Rd. and Mills Street, Altona North, will be invited during the 1966-67 financial year.

This was the reply given to the Hon. Cr A. W. Knight, MLC, in answer to a question he addressed to the Minister of Agriculture in the Legislative Assembly.

The Minister said there are numerous school building projects which are considered more urgent than this one.

However, he said the priority allotted the school will be reviewed in 1967 in conjunction with the preparation of the next building program.

New Street Name

The name of Harris, to be perpetuated as a street name in the new subdivision at Altona North, is honouring the second son of Mr and Mrs H. L. Harris, of the Esplanade, Altona.

A member of the army during World War II, William Lawrence Harris lost his life on the infamous Sandakan to Renau march from which only six of the 2800 marchers escaped with their lives.

Details of other deceased servicemen whose names also will be used in this new area were published last week.

Air Pollution

The incidence of air pollution, its detection and remedy are all important to many residents.

The latest move is that the Altona Shire Council prepare bi-monthly reports on the progress of attempts to detect sources of air pollution, efforts being taken to eliminate the nuisance and in fact any relevant details concerning this problem. The reports are to be made available to residents living near the Australian Carbon Black factory.

This was the action agreed to by 25 residents, seven councillors and representatives of the company who attended the air pollution meet-

ing last week.

The residents are seeking a return to conditions prior to 1965 when air pollution was not a nuisance in their area.

The people freely admit that from 1962 when the first residents came to live in this section of the Shire until 1965 they had no cause for complaint against the Carbon Black company. In their own words they say that during this period pollution "was not at a complainable stage."

However, two months ago

EDITORIAL

A MOTHER KNOWS

A mother's love knows no rest. There is always the care and consideration for her children of whatever age. There is always the sharing of their pleasures and griefs. There is always the time for encouragement, for correction and guidance.

Such love is sacrificial. Above all a mother gives herself. She asks for nothing more than in return a responding love from her children.

A mother knows when her love is returned.

Whatever the family life or its outward expressions, however undemonstrative her offspring, in all circumstances she senses their innermost feelings. She does not need to be told, but being human she likes it to be said.

And on this one day of the year it is right to tell her of our love.

To many of us the Mother's Day problem does not exist. If we are close to our mother (inspirit if not in fact) we can fittingly satisfy her unspoken desires. To those of us who have to some extent drifted apart it is more difficult. We all realise there is something lacking in the mechanical offering of even a most desirable gift.

The gifts of a mother come from herself, from her heart. Every worthwhile Mother's Day gift must also express part of ourselves in an unalloyed expression of love.

A.W.M.C. NEWS

EUCHRE NIGHT
All members and friends interested in playing Euchre are invited to come along this Saturday at 8 p.m. Donation is 30 cents including supper. This Saturday is also the final of the aggregate.

WHIST PLAYERS
Now is the opportunity to commence a progressive whist drive. Whist players also are invited to come along this Saturday, May 7, when an endeavour will be made to commence a monthly series of whist drives.

Enjoy a good game of cards in comfortable air conditioned surroundings.

FILM NIGHT
The club is now branching out on a new line of activity and entertainment and it is hoped that the present night on Friday, May 20, will be the first of regular monthly features at the club. However, this obviously depends on the support given by members.

To be shown on Friday, May 20, commencing at 7.45 p.m. is "Under The Yum Yum Tree," in colour. This film features Jack Lemmon and Carol Lynley and is a riotous comedy from start to finish. A full two hour program, supported by two shorts. Admission is 50 cents (this includes tea and biscuits at the end of the show).

This film program is for members and friends over the age of 21 years. Children cannot be admitted to the club building.

NEXT DANCE
The next dance will be on Saturday, May 28. The "Es-corts" five piece band will play for members and their guests attending this dance. However, dancers are specially requested not to bring any liquor to this function. It cannot be permitted whilst the application for registration of the club is pending.

This function is also for members and their friends over the age of 21. Children cannot be allowed in the club building.

SPECIAL NOTICE DOROTHY BAKER

Guest Star will not be present at the CENTRAL HOTEL on Friday, May 13, but on THURSDAY, MAY 19, and THURSDAY, MAY 26.

GOLF KOORINGAL GOLF

Saturday's bogey results from Koorringal Golf Club are as follows—

A GRADE: A. Coleman (10), square.
B GRADE: V. Page (15), 1 up.

C GRADE: R. Sandilands (23), square.
Sunday's stableford event was won by—

M. Scourie (18), 42 points, from A. McAllister (11), 41 points and F. Roadley (14), 40 points.

This week's highlight was the continued success of both the senior and junior pennant teams—

SENIORS, at home, defeated Patterson River 4-3, and JUNIORS defeated Rosanna 4-1.

This means that both the teams will contest the final next Saturday.

SENIORS meet Woodlands at Keysborough, and the JUNIORS Kingston Heath at Rossdale.

Roll up members and give both these teams the support they so richly deserve.

ASSOCIATES

On Tuesday, May 3, Koorringal Golf Club Associates played American Foursomes and the results are—

GROSS: Mrs I. Fordham and Mrs M. Spear, 86.

NET: Mrs N. Stone and Mrs M. Black, 64, on a count back from Mrs P. Dixon and Mrs O. Home, and Mrs M. Logan and Mrs P. Brennan.

BASKETBALL

Altona Basketball

Altona Youth Club No. 1 basketball team defeated Northern 34-30. Northern appeared to be much improved on the other hand Altona was not displaying their usual form and a close game was witnessed by a good gathering of spectators.

The local boys were playing for the first time in new attractive uniforms—royal blue with gold trimming.

The No. 2 boys team had their first walkover—also from Northern. However, the boys got a game as a scratch match against Monash University was arranged. This time even playing in new uniforms did not prevent the local boys going on to an easy victory with the score 58-24.

Next Monday night No. 1 team will have a bye and No. 2 will play West Melbourne.

SCHOOL SPORTS

SQUASH

Altona North Tech had a close win over Footscray Tech on Wednesday. Stephen Milan clinched the game by winning the last rubber 2-0, after being down 3-8.

Konrad Kolaritsch was the other winner, winning 2-0.

Felix Kasprzak and Tod Joniec lost 2-0 and 2-1 respectively.

The final score indicated the closeness of the match—

ALTONA NORTH T.S., 2 rubbers 5 games 62 points; FOOTSCRAY T.S., 2 rubbers 4 games 62 points.

LACROSSE

Altona North Tech. were narrowly defeated by Williamstown B, the scores being 10-7. Being the first game of the season the team played well, compared with the experienced side of Williamstown.

The best players were M. Cody, J. Bulkiewicz and K. Little. Scorers were P. Cody 2, G. Eagland 2, J. Bulkiewicz 2, G. O'Shannessy 1.

FOOTBALL

Altona North looked good in their first game of the season against St. Albans. If the Ants are to do better they will have to improve on their kicking as the scores were 9.16.70 to 2.5.17.

C. Molloy and J. Allen played good in the ruck and were backed up by P. Tedesco and G. Hines, who swept the ball away to the forwards.

UNDER 16 ALTONA FOOTBALL LOSS

Altona Under 16 made their debut last Saturday and were soundly thrashed by Werribee. Scores being Werribee 18 goals 14 behinds 122 points to Altona's 2 behinds.

The bigger, Werribee side had too much height and teamwork for the local lads, who never gave up trying.

After a few games the lads should develop into a good side. All that is needed is for each of them to play together, thus gaining experience and knowhow.

VOTES

R. Zapart 3 votes, I. Zapart 2 and J. Walker 1.

NEXT GAME

Next Saturday Altona play away to Devon Park at Soldiers Reserve, Werribee. All players to meet at the Shire Offices at 9 a.m. sharp.

Youth Fellowship Bowls Night

St. Eanswythe's Youth Club members have planned a night of bowling at the Altona Nth. Bowl tomorrow night, Friday, May 6.

Members wishing to participate are requested to be at the Church Hall by 7.30 p.m. and transport will be available.

A charge of 65 cents will include cost of the game, the shoes and a donation towards petrol costs.

HIGH SCHOOL TEACHER MARRIES

Mr and Mrs Stuart King smile broadly as they leave the Altona Presbyterian Church after their marriage on April 16.

Photo by Barry Sutton, 65-6017.

The bride, formerly Maureen Gaye Woodcock, is the only daughter of Mr and Mrs D. Woodcock, of Stanley St., Altona, and the groom Stuart John King, is the only son of Mr and Mrs J. King, of Ormond.

A beautiful full length white crepe gown which she designed and made herself was worn by the bride. It was trimmed on the sleeves and train with white roses. Her fingertip veil was held by a single white rose and she carried a sheaf of white rosebuds.

The bridesmaid, Susan Sims, wore an eau-de-nil taffeta frock and carried a posy of frangipani.

Best man was Neil Pollock, and Terry Woodcock, the bride's brother, acted as usher.

The bride's mother wore an attractive peach linen ensemble, matching floral hat and dark brown accessories.

A smart lavender dress and jacket with matching hat and black accessories was worn by the groom's mother.

More than 60 friends and relatives attended the reception at the home of the bride's parents. The three tiered wedding cake also was made and decorated by the bride.

On leaving for their honeymoon destination in the Blue Mountains the bride wore a green and lemon silk frock and hat and a yellow linen coat with matching accessories.

The happy couple will live at Malvern, but the bride will retain her association with Altona as she plans to continue as Domestic Arts teacher at the Altona North High School.

LOCAL SAILOR WEDS IN SYDNEY

A glorious panorama of Sydney Heads and the open ocean was visible from the lovely Australian Navy Memorial Chapel at Watsons Bay, Sydney, where the marriage of Rosslyn June Wells and Leading Electrical Mechanic John Daryl Marsh was celebrated by the R.A.N. Anglican Chaplain, the Rev. Wolfe on April 16.

During the service the bride and groom exchanged wedding rings.

The bride is the daughter of Mr and Mrs S. R. Well, of Homebush, NSW, and the bridegroom, who is serving on the HMAS Perth, is the second son of Mr and Mrs L. G. Marsh, of Altona.

A full length Empire line white Swiss crepe gown which had a self material rose catching a softly falling pleat in the front was worn by the bride. Her three tiered full length veil was held by a white crepe pillbox hat finished with a rose at the back.

The bridesmaid, Judith Proud, of Sydney, and the groom's sister, Cheryl Marsh, of Altona, wore gowns of chocolate brown Swiss crepe and carried bouquets of long stemmed pink roses.

Two of the groom's naval friends completed the wedding party—REM Roger Dewar of Brisbane was best man and

THE LADIES OF ALTONA BAPTIST CHURCH

are holding a

BAZAAR

in the

CHURCH HALL, SARGOOD STREET, ALTONA,

SATURDAY, MAY 7, commencing at 9.15 a.m.

Stalls include cakes, drapery, garden produce and plants, grocery, jumble and secondhand clothing.

BON VOYAGE

Friends from Fern Tree Gully, South Melbourne and Altona gathered at an afternoon tea party given by Mrs Webb to wish bon voyage to Mrs Jessie Parham, of Wren Street, Altona, who sailed on the "Himalaya" last Monday night to visit her family in Scotland and tour the Continent.

Janet Hinson presented the guest of honour with a beautiful 1830 Victorian posy made by Mrs Waters.

Musical items were rendered by Mrs Hope and songs were sung by both Mrs Parham and Mrs Webb.

A special bon voyage cake made by Mrs Hope was cut by Mrs Parham and the afternoon concluded with the singing of Auld Lang Syne.

FORSTER-PARTON WEDDING

An honeymoon tour of Canberra and Sydney followed the marriage of Margaret Forster and Vince Parton at St. Mary's Church, Altona, on April 23.

Photo by Barry Sutton, 65-6017.

The bride, who is the only child of Mr and Mrs W. Forster, of Waratah Street, Seaholme, made the beautiful gowns worn by herself and the two bridesmaids — her cousin Jan and friend Carol.

Her own full length gown of lace over satin was embroidered with pearls and her short veil was held by a coronet of roses. She carried a trailer of white carnations.

The bridesmaids wore aqua shantung frocks which had beaded lace bodices. They carried trailers of white azaleas.

The bridegroom, who is the second son of Mr and Mrs E. Parton, of Geelong Road, Brooklyn, had his older brother as best man.

Both mothers of the happy couple wore woollen suits—the bride's mother in pink with matching hat and black accessories, and the groom's mother chose beige with aqua hat and black accessories.

The bride chose a bone suit with brown accessories to wear when the couple left for their honeymoon destination.

On their return they plan to live in Seaholme.

Seaholme Pre-School Mothers' Club

A general meeting of the Seaholme Pre-School Mothers' Club will be held next Thursday night, May 12, at the kindergarten at 8 p.m.

New members are always welcome.

A beetle afternoon at the kindergarten on Wednesday, May 11, will start at 1.30 p.m. Any interested ladies are most welcome to attend.

Visit to Babies Home

Members of St. Eanswythe's Girls' Friendly Society will be visiting St. Gabriel's Babies Home next Saturday afternoon, May 7.

Girls going on this outing are requested to be at the Church Hall in Queen Street, Altona, at 1 p.m.

It is suggested each girl could bring some eggs as a gift for the Home.

AND SINCERITY, AVAILABLE ANYWHERE.

THEY WERE REMEMBERED

Marching to the music of the Kingsville-Yarraville Citizens Band, members of the Altona Sub-Branch of the RSL paid homage to the memory of their fallen comrades at a civic service on Sunday, April 24.

Following assembly at the sub-branch, some 60 members, together with nine members of the Altona Branch, Air Force Association, marched to the Cenotaph under the leadership of junior vice-president, Mr Donald Forbes, where a civic service was conducted by ministers of the Altona churches.

Visiting dignitaries were welcomed by senior vice-president, Mr J. Murdoch, who also thanked local residents who, by their presence, helped keep alive the traditions of Anzac.

Altona Shire Council was represented by the President, Cr S. G. McIntosh, together with Crs K. Jurga, W. L. J. Crofts, A. W. Bond and W. H. Lee.

BOER WAR VETERAN
Notable among the ex-servicemen was Altona's most senior returned soldier, Boer War Veteran 84-years-old Mr A. C. Turner, of Queen Street, Altona. Also visiting Altona for the day was First War Digger and former branch president, Mr George Irwin.

Also marching in uniform were local members of the CMF who were recruited through the efforts of the Altona Sub-Branch.

Introducing the principal speaker, the Hon. Cr A. W. Knight, MLC, Cr McIntosh expressed regret that more Altona residents had not attended to pay their respects to those who gave their lives in the cause of freedom. He said this was particularly regrettable in view of the troubled times through which the world was passing.

"MANY MILES TO FIGHT"
Speaking on the tradition of Anzac, Cr Knight said he was proud and honoured to be able to deliver this speech on this occasion. "I am grateful for the kind invitation," he said.

Continuing, Cr Knight said, "I am sure that there is no need to tell you who the enemy was and why it was necessary for Australians to go many miles over the seas to fight. As you know it was on April 25, 1915, that Australian Service Forces started to play a real part in the Great War, and it was at Gallipoli where this first great battleground was that Australia made her name. Whilst this terrible bloodshed was going on 10,000 miles away Australia by Royal Decree was made a Federation. Close to Gallipoli near the Dardanelles is the ancient city of Troy where the Olympic Games originated.

"Anzac possesses many precious things for Australians. It was on this famous cove our first heroes came into being. Compared to their efforts, Captain Cook and van Dieman's were small.

"Today is a supreme occasion to every Australian for honouring his countrymen and women who died in those wars of 1914-18, 1939-45 and Korea. To our grandparents the Black Hole of Calcutta was an event so devastating that for years children were taught about it. But what was this compared with Gallipoli, the Somme, Flanders, Dunkirk, Battle for Britain, Dieppe, Changi, the Stalags, or Jellie petrol and atomic radiation. Anzac Day means different things to different people, and the difference lies in the age group to which they belong.

"Other nations honour their war dead. This is not mere patriotism. The sacrifice of life is a universal challenge to the living. The challenge is to strive so that the

sacrifice shall not have been made in vain. The striving will vary from person to person, from nation to nation, from religion to religion, but its essence is that a man for whom another has laid down his life should never be the same again.

"What is it that they remember? Why do so many men look back almost with nostalgia to their days of greatest hardship and danger. Why do they seek by reunion dinners to relive the awful past? Looking a little further, why did they endure beyond the seeming limits of endurance so much and for so long on those Anzac beaches and beyond? Let what I say of Anzac on this Anzac Sunday apply to us all who, on land, on and under the sea, and in the air, have borne the awful burdens of war of our times, that theirs was not for a desire of hatred or fame. The men of Gallipoli and of other battlefields feared most that they would not play their part. For them it was an honour and not a disgrace to do more than was expected of them. I need not pursue this matter since there can be no one here today who has not wondered why a spirit of selflessness and of living and dying for a purpose is common in war and rare in peace. Life was very dear, but life was not worth living unless they could be true to their idea of Australian manhood.

"That typical Australian was seldom religious in the sense which the word is generally used, so far as he held a prevailing creed. It was a romantic creed inherited from way back by which we live. It is that a man should at all times and at any cost stand by his mate. This is bred in him from childhood to his death. Remember that 60,000 men of the AIF were killed in 1914-18. That was one in every five who went away. They bought and paid for our present freedom, our liberty to live our own lives, unregimented into an arbitrary pattern, uncoerced into an alien way of thought and manners not only they who died in 1914-18, but the next generation who so nobly carried on the tradition of Anzac in the Second World War which was but a continuation of the First. Theirs was a life given not in glory but in defence of their country and democracy. The valour and love of these men live on. The spirit of Anzac has taken fresh root down the years. The ingredients of valour, resourcefulness, fidelity and endurance have been refreshed on battlefields in three wars, Flanders, Alamein, Tobruk, Kokoda, Milne Bay, Korea and in the skies of both hemispheres.

"We believe we have fought bravely for good causes and this belief enables us today to pay homage to those who died in the same cause. War does not provide the answer to our problems. One of England's great national poets pleaded before the occasion of another war—'Lord God of Hosts be with us yet, Lest we forget—Lest we forget'."

REMEMBRANCE WREATHS
Following the service, wreaths were placed on the Cenotaph by Mrs Murdoch, representing the RSL, Cr Mc-

LOOK-OUT!! MOONEE PONDS

It will be death or glory on Saturday at Kim Reserve when Altona play Moonee Ponds in a soccer match which is all important. Altona must win.

Again on Saturday, this time against Frankston, they played very hard, but to no avail. They were beaten 2-1.

Despite the heavy rain the ground was in excellent condition making good football possible. Play swung from end to end with both teams eager to get an early goal. For a few minutes Billy Coles looked dangerous, but he soon forgot the basic principals (move the ball), as he began to dribble with the ball.

The Altona forwards disappeared. Karamatos was holding his own against the fast forwards of Frankston. Poor old Bobby Milloy, the ball isn't running for him at all, and try as he might he never got going at all.

Just before half time Chris Karamatos deflected a ball past his own keeper to give Frankston a lucky 1-0 lead.

As the game resumed Steve Herman galloped up and down the field as only he can fetching and carrying and in general trying to get the missing cylinder to fire. In one of his devastating runs he passed to Allan Wynn, who passed to "Professor" Wilkie and a powerful low left foot drive into the corner of the net made the scores level and now it was on for young and old.

Arthur Wernall, in the Altona goal, was pulling in balls from all angles. Andy Rice, who is an "iceberg" under pressure, was keeping the left wing at bay. A miskick by Mario Grecco along the right wing allowed the winger to cross a good ball, which was promptly headed into the net and it was 2-1 for Frankston.

Billy Coles suddenly started to cross the ball for the first time. Craig Copley pushed it out and followed it. Now Al-

tona were clicking, but it was too late. Zabloniski, Herman and Wynne all had hard luck before the whistle sounded and had lost another two valuable points. The final score was 2-1.

RESERVES
Altona Reserves were under strength for their game, but captain John Innes kept urging them on and it was only in the last few minutes that Frankston shot to the front. "Long John" Collins in goals saved a penalty. Final score was 4-1.

UNDER 12
Altona Juniors had an off day on Saturday. Each lad tried to beat too many others and they were well beaten at 5-1.

The Under 16's and 14's were both beaten, but are slowly improving and these enthusiastic lads are putting in a lot of hard work under their coach Ludwick Assman.

NEXT GAME
On Saturday Altona Seniors play Moonee Ponds at Kim Reserve at 2.45 p.m. The Reserves start their match at 1 p.m.

ALTONA WEST HAS WIN
Altona West came through with flying colours against South Sunshine. At half time the score was 7-0 in favour of Altona West.

South Sunshine put up a good fight, but Altona West was very good in the wet conditions. At the final whistle Altona West were leading 13-0. Mr Walsh, their coach, deserves a pat on the back for taking Altona West from nothing to something.

Copy received later will be published as circumstances permit.

Display advertising will be received up to 5 p.m. Tuesdays and classified advertisements up to noon on Wednesdays.

Rodeo in Altona

Judging by the large number of people who turned out to watch the rodeo held in Altona during Anzac Day weekend, an annual rodeo in Altona may not be so far away.

Soon Altona will become a thriving city and an annual rodeo may help to give her larger letters on the map of Australia. The recent rodeo was a practice effort and all proceeds were given to a staunch rodeo supporter involved in a car accident a while ago. Events included were steer-riding, calf roping, bulldogging, buck jumping and bareback bronc riding.

There was also a paddy-calf ride for juniors. Some of Australia's best rodeo riders were present, although not all of them participated. However, it was good to see that quite a few local lads were riding. The rodeo took place north of the Wimpey Estate in Altona West and the arena was especially enlarged for the occasion and an extra chute erected.

Rodeo is one sport that is truly Australian; despite the fact that many look upon it as an American pastime. The rodeos held here and in the United States do not compare. In Victoria and other States rodeo is classed as an exhibition of stockmen's skills and of the unquestionable grit, determination, fortitude and sheer strength that stamps the Australian people as a hardy sports-loving race. A people who have shown their worth in battle, their worth on the land in the face of bad seasons and drought and yet can always come up smiling and ready to face their task again. Such is the spirit shown by Australia's stockmen (not cowboys) for whom no horse or beast holds any terrors.

So next time you hear of a rodeo in the area, go and support a true really entertaining sport that will never lose its place in the hearts of many.

PRIMARY SCHOOL SUMMER SPORTS

The cricket team from the Altona Primary School is the only Altona team to reach the finals of the cricket and softball competitions of the Williamstown and Altona District School Sports Association.

The finals will not be played until third term and below is a summary of the summer sport results—

SOFTBALL EAST ZONE				
Team	W	L	%	
Newport West	5	0	370.1	
W'town North	3	2	109.1	
Altona East	3	2	100.9	
Altona North	3	2	95.5	
Williamstown	1	4	73.3	
Newport	0	5	30.9	

WEST ZONE				
Team	W	L	%	
Glen Devon	5	0	183.1	
Werribee	4	1	181.1	
Altona	3	2	240.0	
Laverton	2	3	80.0	
Seaholme	1	4	51.9	
Altona West	0	5	49.2	

CRICKET EAST ZONE				
Team	W	L		
W'town North	5	0		
Newport West	4	1		
Williamstown	3	2		
Altona East	2	3		
Altona North	1	4		
Newport	0	5		

WEST ZONE				
Team	W	L	D	
Altona	4	0	1	
Laverton	3	2	0	
Seaholme	3	2	0	
Werribee	2	3	0	
Altona West	1	3	1	
Glen Devon	1	4	0	

The finals will be played during the third term between—

SOFTBALL
Newport West v. Werribee, Glen Devon v. W'town North.

CRICKET
W'town North v. Laverton, Altona v. Newport West.
The association's batting and bowling averages for cricket were won by two boys from Newport West. Chris Honeyman won the batting with an average of 32.5 and Nicky Apostolides won the bowling with an average of 2.2.

15th Melbourne Boys' Brigade

The Boys' Brigade was well represented at the Commonwealth Youth Parade in Altona last Sunday afternoon and received great praise as a result of their smart appearance and good marching ability.

Many other youth contingents from Altona participated in the march from Logan Reserve to the Civic Offices via Pier Street, and it was grand to see all the different uniforms and banners marching together! Although the service in the Civic Hall was brief the message was put over quite well and the young congregation gave its full attention to the speaker. Other speakers were members of the youth groups who played a vital part in the afternoon service.

Lance Corporal Moffat and Private Sutherland did a good job in providing the beat on their side drums, whilst other music was provided from a station wagon that led the marchers.

This Friday night the Boys' Brigade will be showing slides and films of the recent camp at Mount Buffalo and lemonade and cakes will no doubt be devoured by hungry members. The woodwork class is becoming a great stimulant for some members and much interest is being shown in this craft.

1st Altona Scouts

The annual meeting of the Footscray and District Boy Scouts Association will be held in the Footscray Town Hall on Wednesday, May 11, at 8 p.m. Parents are invited to attend to represent the group.

The annual cabaret dance will be held in the Fiesta Ballroom, 281 Barkly Street, Footscray, on Friday, May 27 at 8.30 to 1.30 a.m. Tickets are \$3.50 each and may be obtained from Mrs J. Briscoe, 4 Wattle Grove, or telephone 398-1649.

Thanks go to the Altona RSL for providing the tea after the Anzac Day March. It was much appreciated.

2nd Altona Scouts

Gary Aston has received his second class badge.

Welcome is extended to Jeff Russ, who has joined the 2nd Altona Troop.

Parents are advised of the Group Picture Night on Wednesday, May 25, at the Presbyterian Church Hall, commencing at 7.30 p.m.

Everybody is asked to assist in the bottle drive to be held on Sunday, May 8, from 18 Millers Road, Brooklyn, commencing at 9 a.m.

Question In State Parliament

On Tuesday, April 26, the Hon. Cr. A. W. Knight, MLC, asked the Minister of Agriculture the following question in the Victorian Legislative Council—

What is the reason for the delay in granting approval to the Advisory Council of the Altona High School to carry out the ground improvements as agreed upon in the Minister of Education's letter to the Council dated January 21, 1965?

He received the following answer—

The ground improvements are to be carried out by the Public Works Department on a subsidy basis. Because of the large number of similar works on hand it has taken a few months to prepare plans and specifications. A further delaying factor was the need to obtain approval from the Melbourne Metropolitan Board of Works for an additional water tapping. It is expected that tenders will be invited shortly.

Boat Owners to Hold Meeting

The Altona and Seaholme Boat Owners Association will hold their annual general meeting in the committee room of the Homestead, Queen Street, Altona, at 8 p.m. on Thursday, May 19.

Matters vital to the welfare of all owners of boats moored at Seaholme are to be discussed at this meeting.

Western Suburban
Football League
Opening

In the opening round of the season,
West Newport showed in all grades that
they are going to be the club to beat for
this year's flags.
They easily defeated last year's premiers, Cen-
tral Altona, in the open age grade and accounted for
Newport in a like manner in the Under 18's.

LAVERTON'S WIN
OVER KINGSVILLE

Within 60 seconds of the
first bounce, Noel West, Lav-
erton's full forward, scored the
first of his nine goals. Aided
by the cross wind, the Mag-
pies kept Kingsville scoreless
for the first quarter.
At the change Laverton led
6.6.42 to nil.
Kingsville fought back
strongly and took the initia-
tive to score three quick goals.
Geoff Cameron took control
of the centre, and aided by
Noel Lyons, who was roving
well, kept the Kingsville back
men busy. MacKenzie kicked
a goal against the wind and
another goal by Noel West
kept the Magpies in control
at half time to lead 8.8.56 to
4.0.24.
The third quarter saw
Laverton at their best.
The forwards took complete
control and added six goals
five behinds to one goal to lead
14.13.97 to 5.0.30.
The final quarter saw
players on both sides very
weary, but with scientific foot-
ball Laverton kept Kingsville
at bay to win by 68 points.
GOALS (Laverton): West
9, Lyons 2, MacKenzie 2, Hall
1 and Dickson 1.
BEST (Laverton): N. West,
G. Cameron, N. Lyons, G.
Dickson and G. MacKenzie.

CENTRALS UNDER
18 WIN

Under the guidance of new
coach Ted Jepson and captain
Bob Hendry, Central Altona
ran out winners in a hard
game against Laverton in the
Under 18 Grade on Sunday.
A feature of the game was
the discipline and team work
that has been installed into
the Centrals team.
BEST PLAYERS
R. Smutney was a clear
winner all day at centre half
back as was also R. Hendry,
W. Kennedy, M. Laurinne, N.
Davies, M. Martin and D.
Grey.
GOALS: N. Davies 8, M.
Martin 3, M. Lawren 2, A.
Montgomery 2, R. Hendry 1,
D. Grey 1 and J. Hancock 1.

Tech. Improves in Basketball

Four wins out of five was a long awaited result in the Altona North Technical School camp in the Victorian Basketball Championships—and a run of easy teams was most likely the reason for the surprising number of wins.

UNDER 18 A GRADE

ANTS v. KINGSVILLE

Ants were off in a flash with defence and offence working in complete harmony. Joe Bilas looked to have his hands full with State representative and Kingsville centre Toli, but on a hard look at the game Joe did an excellent job. Bill Anderson and Cec Przybek had their hands full with Ron Curwood and George Leonard who were both scoring with some sting. Ants felt a big thud on the head when top players John Hay and Joe Bilas had to retire with five pulls. Instantly big Toli piled in six quick points and Ants pulled, but still held a slender lead. Kingsville, seeing Ants' alter, threw a press, but because of a bit of absent mindedness, left Ray Robinson alone and he converted a vital shot for Ants.

FINAL SCORE: Ants 32 (Anderson 11), defeated Kingsville 30.

UNDER 18 B GRADE

ANTS v. MONTAGUE

Ants expected a very tough game but were surprised with Montague's lack of pace and shooting ability and quickly ran to a comfortable lead. But Ants started to lag and the game became very dull and of poor standard. Shots became very sloppy and rebounds were constantly being dropped. Paul Ebeyer and John Hinkley were trying to improve Ants game, but got little response and coach Bradshaw, after giving a few strong orders got the ball bouncing and the standard of the game improved considerably. Barry Reid for Ants was shooting well and Bernie O'Malley was holding Montague's centre with considerable ease.

FINAL SCORES: Ants 24 (Reid 6), defeated Montague 1.

UNDER 16 A GRADE

ANTS v. ST. KILDA B.H.

The lion verses the mouse—out can the lion help it if its a big mouse. Ants, obviously the much more experienced and stronger team, were expecting a big win, but St. Kilda, with their good defence and Ants taking the game as a bit of a joke, played well. Many shots were not going in and Ants coach was having a hard time getting through to his players. St. Kilda's willingness to work hard against large odds was a credit to them, but their lack of tall players was almost the only reason for their loss, and the Ants have to pull up their

socks and start work if they expect to have a successful year.

FINAL SCORES: Ants 18 (Leader 7), defeated St. Kilda Business Houses 7.

UNDER 14 A GRADE

ANTS v. ST. KILDA P.B.C.

The game got under way with Ants playing hard but fumbling the ball early. Dave Luck and Peter Stirling were playing well together as a result a few baskets were scored early. But in the early stage Ants were playing individually and the efforts of Peter Krenca and Robert Turner were being blanketed by mis-passes and shots not finding the mark. Both Peter Stirling and Dave Luck were red hot after the change and quickly took a big lead over a very small and inexperienced Saints. Near the end the Saints tired badly and let the Ants win easily in convincing fashion.

FINAL SCORES: Ants 34 (Luck 10, Stirling 10), defeated St. Kilda Police Boys Club 11.

UNDER 16 B GRADE

MELBOURNE v. ANTS

Although Ants were more superior than Melbourne, they lacked the get up and go needed by any team which wants to win. Graham Berry and Felix Ebeyer were both trying to keep Ants on a good leg, but Melbourne were continuously out scoring Ants in what looked a close game. The Ants were collecting the rebounds, but were unable to score in offence. Noel Ridge was using his experience to bring the ball up successfully and on occasions Russell Bentley was combining well with John Norris to score a few good points. Although defence was reasonably effective Ants offence didn't have its usual sting and so let Melbourne go to an easy win.

FINAL SCORES: Melbourne 18, defeated Ants 13.

Altona Lacrosse

D GRADE

Altona 13, were beaten by Essendon 19 in the lacrosse game last Saturday.

GOALS were scored for Altona by R. Little 6, W. Allen 3, R. Munns 2, R. Dickin 1 and K. Little 1.

BEST for Altona were R. Munns, T. Beales and R. Dickens.

NEXT GAME

Altona v. Newport, away.

CENTRALS LOSE OPENING GAME

Last years premiers, Central Altona, after matching West Newport for the first half of the game, ran out of steam due to lack of match practice and training in the second half.

Centrals suffered a big blow early in the third quarter when giant ruckman Gary Kennedy had to leave the field with a bad leg after he had dominated the first half of the game.

BEST PLAYERS

Brian Trevean was a clear winner all day, as was also T. Holland, R. Cleland, K. Murrell and Jeff Lott. Murray Sayers, after being unable to train for the season, battled well all day as did Richard Horman, who revelled in the ruck after half time and this player is one to watch in future games.

GOALS: R. Cleland, K. Murrell, T. Holland, J. Lott, D. Kakosche, M. Sayers, W. Kennedy and D. Robinson, 1 each.

FINAL SCORES

West Newport 23.20.158, defeated Central Altona 8.10.58.

GOOD WINS BY NEWPORT

A TEAM

A Teams defeated Oakleigh 2.1 in a closely contested match.

Ray Salter, pitching his first nine innings game, overcame great pressure applied by the talented Oakleigh side.

Backed up by excellent fielding and strong batting by Ron Sorraghan, John Maher and himself, Salter pitched the team to their second successive win.

SAFE HITS: R. Salter 3, R. Sorraghan 2, J. Maher 1, R. Simpson 1 and T. Gray 1.

BEST: R. Salter and R. Sorraghan.

B TEAM

B Team defeated Oakleigh 12.11 in a 2 1/2 hour game.

In a game in which the lead changed many times, Oakleigh succumbed to Newport's persistence.

SAFE HITS: D. Cornish 4, W. Middlemass 4, G. Hanson 3, A. White 2, T. Forrester 1, J. Dunstone 1.

BEST: D. Cornish and W. Middlemass.

C TEAM

C Team defeated Oakleigh 15.4.

In a one sided match, Newport outclassed a young Oakleigh side.

BEST: K. Smith and G. James.

UNDER 16

Under 16 were defeated by Footscray 8.0. Footscray's pitching and good batting was too much for the inexperienced Newport team.

UNDER 14

Under 14 had their second huge win when they defeated East Brunswick 12.0. Harry Bunting pitched a no hit game for Newport.

SATURDAY'S GAMES

A TEAM v. Collingwood at National Park at 2.45 p.m.

B TEAM v. Collingwood at Newport at 12.30 p.m.

C TEAM v. Collingwood at National Park at 12.30 p.m.

Church Basketball

GIRLS COMPETITION B RESERVE

Altona Meths. 23, d. Christ Church 20.

BEST (Altona): J. Hogan, J. Dutton, M. Johnson, J. Wiffin and M. Sleeman.

GRADE C1

Altona Meths. 66, defeated Kingsville Baps. 2.

BEST (Altona): E. Cahill, R. Webb, V. Burchell, R. Douglas and G. Thompson.

GRADE C2

Altona Meths. 12, lost to Williamstown Congs. 20.

BEST (Altona): R. Smith, E. Scott, L. Crompton and L. Hyde.

NEXT GAMES

B Reserve have a bye. Altona Meths. 1 v. Altona Meths 2, at the Seaholme Primary School at 2.30 p.m.

Darts Results

Western Suburbs Darts Association results to hand for the week ending April 29, are as follows—

ZONE 1

Seaholme d. Racecourse Hotel 6-0. Commercial Hotel lost to Bristol Hotel 5-1. UCA drew with Laverton 3-3. Newport drew with Deer Park Hotel 3-3.

ZONE 2

Newport drew with Central Hotel 3-3. Pioneer Hotel d. Deer Park Hotel 4-2. Goodrich d. Yarraville Club 5-1.

Matches to be played for the week ending May 6 are as follows—

ZONE 1

WEDNESDAY: Seaholme v. UCA. THURSDAY: Deer Park v. Commercial. FRIDAY: Newport v. Central. Pioneer v. Racecourse. Laverton v. Bristol.

ZONE 2

WEDNESDAY: Altona RSL v. Pioneer. THURSDAY: Central v. Deer Park. Goodrich v. Newport. FRIDAY: Exchange v. Footscray RSL. ICI v. Yarraville Club.

ALTONA HIGH HOUSE ATHLETICS

The 1966 athletic champions of Altona High School are well distributed between the four Houses at the school.

Paterson and Keera can claim three each and Batman and Tooronga two each.

However, Keera is the undisputed Champion House as at present the recent school championships, athletes from this House amassed a total score of 599 points—over 120 points more than their nearest rival.

Results of the championships were—

GIRLS

UNDER 13: G. Thompson, Keera; UNDER 14: A. Clark, Paterson; UNDER 15: B. Keeshan, Keera; UNDER 16: R. Jensen, Paterson; OPEN: E. Wright, Tooronga.

BOYS

UNDER 13: K. Haining, Keera; UNDER 14: D. Cook, Batman; UNDER 15: S. Chatfield, Batman; UNDER 16: G. Page, Paterson; OPEN: J. McCudden, Tooronga.

ORDER OF HOUSES

CHAMPION HOUSE: Keera, 599 points; 2nd: Paterson, 474; 3rd: Tooronga, 417; 4th: Batman, 380.

Suburbs On The Outer

FOOD FOR THOUGHT

Two articles in one edition of the Melbourne "Sun" should not have been overlooked by Altona residents.

One is a description of a typical outer suburb. Here is an extract taken from the paper—

"Cut in half by a highway beside which all the old trees have been cut down for road widening.

"Two or three small groups of shops, none with adequate off-street parking, and all made hideous by garish, badly designed advertisements.

"Public transport inadequate and the service to the city 'exasperatingly slow.'

"No trees left and the only verticle elements in the landscape sturdy grey and brown poles laced with innumerable wires.

"The council has planted a few flowering cherries but is disheartened by the toll of drought and vandalism.

"The Board of Works, through lack of finance, has not yet constructed the main sewer.

"The sillage from houses finds its way out on to streets and dribbles down roughly formed gutters."

The author of this article, Dr F. W. Ledger, head of the Department of Town and Regional Planning at Melbourne University, was not referring to Altona—but he could have been in parts.

Some of the elements in the description are irrevocable others are subject to improvement. Such is definitely the case in Altona. When in the course of time all these and other patent defects are remedied, Altona will become a normal suburb. Altona, it is felt, has the capacity to go further and be a leading suburb in both physical and social aspects.

ANOTHER SHIRE BECOMES A CITY

The second article was the announcement that the Shire of Frankston is seeking the status of a city.

Frankston is the counterpart of Altona on the eastern sector of the bay. It has had some things in common with Altona, extensive semi-rural areas, similar swamp and drainage problems and a divided (lack of unity due to essentially the same cause as Altona).

Frankston has its Olivers Hill, Altona has its depression in the Truganina Reserve, which not impossibly could become an equal asset to Altona.

Altona for what are considered good reasons has not taken a similar step. But a map of suburban council areas shows that Altona is becoming rather isolated in its position.

Altona Pedal Club

Since the formation of pedal clubs there has been a 33 per cent. drop in the number of accidents involving children on push bikes and no ex-pedal club members who now holds a car driver's licence has been involved in a major accident.

This rather startling information was revealed by the secretary of the local club.

He also points out that all the office-bearers of the Council of Pedal Clubs and the various metropolitan and country clubs are all honorary workers who give up their spare time to teach the young people of the community road safety.

But further assistance from parents is urgently needed—both actively and financially. The local club has a number of bikes available for use by members but more 20" bikes are needed for the younger riders.

Mr Winn of 28 Linnett St., Altona, would be only too pleased to hear from any person willing to assist with the local club.

The next Rally will be run by the Council of Pedal Clubs on Sunday, May 29, at Coburg—three weeks of intensified training for local riders will be necessary to keep them in the forefront as they have been of late.

A number of the riders marched with other youth organisations observing Commonwealth Youth Sunday last Sunday afternoon.

Noticed were two of the smallest riders marching like veterans.

SILVER PEDAL

Silver Pedal results for April 30 are 125, 74 and 63.

Letters to the Editor

Dear Sir,

I am writing to thank C. W. L. J. Crofts for his assistance in our struggle to have the breakwater stopped.

He has been the only councillor with any concern for nearly 400 ratepayers who signed the petition against the breakwater being built.

On the night of March 21 when the council voted to go on with the project, his was the only dissenting voice.

He asked questions of the Shire Engineer and received answers we were all anxious to hear.

He made an impassioned appeal to the council on our behalf to wait and give the new co-ordinating council, to be appointed, a chance to decide.

The rest of the council voted to go on with the breakwater.

Fortunately for us the Public Works Department decided to defer their consent until the co-ordinating council is appointed and can go into the matter.

On March 24 the "Herald" had an excellent article on the breakwater and Cr Crofts reiterated his statement, that the decision be left to the co-ordinating council's appointment.

A number of matters have suddenly become more important to the councillors as witness their increased concern over the briquette dust problem.

So all in all, though one man cannot do much on his own, his election seems to have spurred the present councillors to offer much more attention to the ratepayers problems.

Mrs A. DICKSON

SEAHOLME BREAKWATER

Dear Sir,

I would like to correct the impression which may have been left with ratepayers by Cr H. W. Lee's remarks in council when discussing the breakwater at Seaholme and by the report in the "Altona Star" (28.4.1966).

Cr Lee stated that the Public Works Department was now deferring the permission it had given to the council to proceed with the breakwater. This is not in accordance with fact. The Public Works Department approved only in principle the construction of the breakwater and required that detailed plans should be submitted and approved before work was commenced.

Despite the fact that the council started the work without approval of any plans has been given. The Public Works Department also warned the council that the breakwater could lead to accumulation of seaweed with the consequent production of the malodorous hydrogen sulphide and the siltation of the anchorage area.

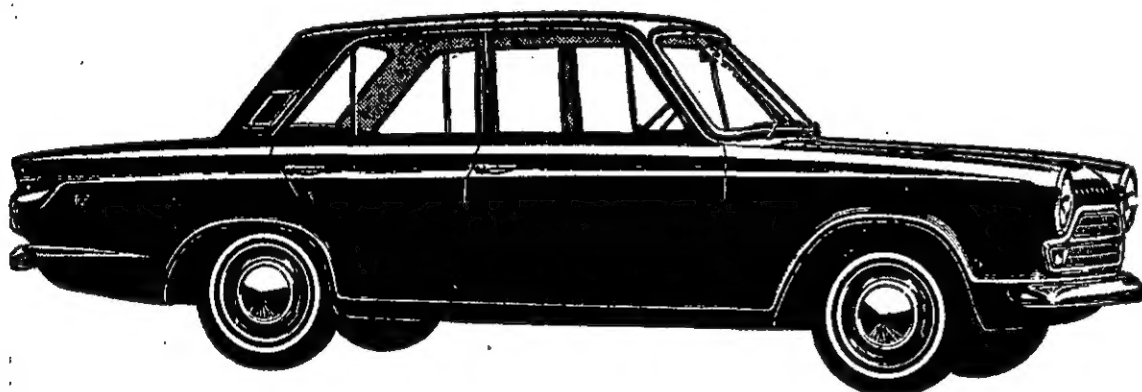

In deciding to leave the final approval to the Port Phillip Advisory Committee, I consider the Public Works Department has made a wise decision which should emerge that the breakwater which is constructed will prove of minimum inconvenience to local residents and provide maximum protection to the boat owners. This is in line with the council's own decision of February 14, 1965, that tests should be made on a suitable model before the work was undertaken.

Rather than criticizing the Public Works Department Cr Lee could better have spent the time explaining why the council is spending ratepayers' money on a project which should be constructed and paid for by the Ports and Harbour Branch of the Public Works Department and why their warning on seaweed and siltation should be ignored by the council.

Yours faithfully,

A. S. WRIGHT

Go by VALUE..

If you're after the car that gives you the most features for your money as a family-sized economy-car, or as a business car for your fleet, go for Cortina. Cortina gives you 5 to 6 passenger room, a huge 21 cubic feet luggage boot, choice of 2-door and 4-door models, up to 40 miles per gallon, 6000-mile oil change and lubrication, 4-speed, all-synchromesh gearbox, and a choice of 2 race-bred engines.

THE BEST-VALUED CAR IN ITS CLASS!

1. Front wheel disc brakes—for faster braking, added safety; 2. Windscreen washers—for extra driving convenience and safety; 3. More engine power—more torque—for even higher performance and better low-speed flexibility; 4. Aeroflow ventilation—for air-conditioned luxury. Aeroflow draws fresh air in through

adjustable intakes on both ends of the instrument panel; 5. Air extraction vents—for a complete change of air inside every 40 seconds; 6. Smartly patterned vinyl upholstery—for added style and longer life; 7. Deep-dished steering wheel—for still more safety; 8. Lighting control antenna—for finger-tip lighting control; 9. Seat-belt anchorages—for Lap and Lap/Sash seat belts; 10. 6000-mile oil changes—plus 6000 miles between routine servicing.

There are four Cortina models—the "220" and "240" (shown right) 2-door sedans, the "440" (shown top) 4-door sedan and the GT 4-door sedan.

TECH. SOCCER

ALTONA NTH. v. ST. ALBANS

With Borg on the wing doing well, and Evans at centre half providing plenty of drive, Altona North Tech, attacked again and again, but found the St. Albans defence very solid.

At last the break came at about 20 minutes when Borg shot from about seven yards to give Altona North the lead.

Ten minutes later St. Albans replied and the score was 1 all. St. Albans found confidence and started to put pressure on Altona's defence, but Jeff Evans and "Big Louie" Coppola kept St. Albans from scoring on many occasions.

At 15 minutes into the second half St. Albans took the minutes after that Allan Sinclair replied for Altona with lead with a fine shot, but 10 a nice goal.

Through the rest of the game Lever and Kobolinski helped by Bogden Gladys, took command for the Tech., but a week offence let Altona down.

The final result was a 2 all draw.

C.E.B.S. IN CAMP

Twenty-two boys from St. Luke's, Altona North, Church of England Boys' Society will go to camp for this weekend at Frankston with boys from other branches around Melbourne.

The boys, who are aged between eight and 13, will be accompanied by the branch leader, the Rev. D. Townsend, and assistant leaders, J. Cookson and B. Davidson.

This will be the first time many of the boys have been away to a camp.

The Church of England Boys' Society has a permanent camp at Frankston which has facilities for 120 boys and leaders.

As the Vicar will be away the 9.30 a.m. Eucharist on Sunday will be celebrated by the Archdeacon of Essendon, the Venerable R. Dann.

SCOUTS ANNUAL MEETING

The annual meeting of the Footscray, Williamstown, Altona and Wertheim Boy Scouts Association will be held in the Footscray Town Hall at 8 p.m. on May 11.

At this meeting office-bearers will be elected for the following 12 months. Guest speaker will be the Rev. A. Foote, of Newport, who will address the meeting on "Community Education on Alcoholism."

The annual cabaret dance of the association will be held in the Fiesta Ball Room, 281 Barkly Street, Footscray, on Friday, May 27, from 8.30 p.m. till 1.30 a.m. Dress is optional and tickets are available from scout groups within the district.

ALTONA SPASTIC AID COMMITTEE

A special afternoon has been arranged by the Altona Spastic Aid Committee for next Tuesday, May 10.

Mrs Smith of Pascoe Vale will demonstrate cake decorating to members and any other interested ladies who are most welcome to attend.

Members will meet at 1.30 p.m. and the demonstration will follow at 2 p.m. in the Homestead, 128 Queen Street, Altona. Entrance donation will be 25 cents and afternoon tea will be served.

It has come to the notice of the committee that children have been going from house to house selling raffle tickets in the name of the committee. The committee is most concerned as at no time have children been authorised to sell raffle tickets and it appears the money being collected in this way is not for this charity.

The committee appreciates the desire of children to assist the spastics, but encourages them to run such functions as street stalls or back yard concerts.

AERIAL SURVEY OF ALTONA

TENDER ACCEPTED

A tender has been accepted for an aerial survey of the southern section of Altona.

This is to assist in obtaining levels in preparation for sewerage works in this section of the Shire.

Cr. J. J. Ginifer reported the tender for \$12,000 was accepted by the Board of Works last Tuesday.

He said this is for preparing designs of sewerage reticulation in Altona. The aerial survey will speed up the field work.

Cr. Ginifer commented "At long last, something is under way".

Altona West Kinder.

Meeting

The next meeting of the Altona West Infant Welfare & Kindergarten Committee will be held in the kindergarten at 1.30 p.m. on Wednesday, May 11.

The next beetle evening will be held in the kindergarten on Thursday, May 12, at 8 p.m.

Civic Hall Free to Film Society

The Civic Hall is to be made available free to the Altona Film Society.

The Society has registered with the Council as a Cultural Activity and last Tuesday night Cr. H. W. Lee said it can be granted use of the hall without charge.

These organisations will be classed in the same category as education as they further the interests and knowledge of residents.

The only restriction to be placed on the Film Society is that requirements for use of the hall must be submitted one month in advance.

The Society also has asked the Council if the Shire owns a film projector which could be loaned to the Society for their screenings.

The Shire does not own a projector but Cr. Lee said a projector should be purchased to enable councillors to see films of local interest which are screened on television and which councillors are unable to view. He considers these films should be obtained for the Council archives.

The projector also would assist cultural activities and could be loaned to the organizations.

He moved that the Council consider the purchase of a projector and the hall be made available free to the Film Society. Cr. Bond seconded the motion which was carried.

Fathers, Read On

ALTONA WEST PRIMARY SCHOOL NEWS

The Mothers' Club of the Altona West Primary School will meet tonight, Thursday, May 5, at the school at 7.30 p.m.

All articles towards the Mothers' Day stall which will be conducted at the school tomorrow should be brought along to this meeting.

Members will make final arrangements for the stall and they are requested to bring along some novelty which has not cost more than 10 cents.

FATHERS—A REMINDER

Sunday is Mothers' Day At the school tomorrow will be a special stall where the children will be able to purchase attractive gifts to give their mothers on Sunday. But Dad a gentle reminder—your financial assistance may be needed by the children.

Gifts valued from 5 to 50 cents will be on sale and a little cash from the fathers will enable the children to do some important shopping.

AIR POLLUTION

Continued from Page 1.

an angry deputation of ratepayers complained to Altona council of pollution allegedly emanating from the factory. The company has readily admitted being responsible for some air pollution during last November, December and January and has compensated residents for damage to property.

On the night the deputation was heard in February the ratepayers agreed to a stay of two months to allow the company time to rectify faults which were known to be the cause of the pollution and for some action to be taken by the council including the installation of gauges to detect air pollution sources.

The meeting last week was to discuss progress achieved during this time.

All agreed there had been some improvement in the pollution position, but both the company representatives and councillors present said two months was too short a time to rectify the trouble completely and to instal pollution gauges as promised.

Residents accepted the reasonableness of the explanations and agreed to take no further action at present. It appears the company is co-operating to eliminate the nuisance.

However, residents do require to be kept informed of progress and action by the council and desire to learn of any information which may be furnished by the company. Therefore, they requested a comprehensive bi-monthly report.

If residents are still not satisfied they again will be given the opportunity to discuss the problem with councillors.

At last week's meeting Mr Mathieson spoke on behalf of the residents. He said it was not their intention to produce exhibits on this night as it was felt that it was established at the February meeting that the home owners had legitimate complaints regarding air pollution from the factory.

He criticised the council for not installing the promised gauges and suggested the air pollution committee should bring the matter to the attention of council as council should act for the ratepayers in rectifying the air pollution nuisance.

Mr Mathieson said as individuals they could not achieve results by knocking on industry's door. He said they had no option but to fall back on the council for action and he hoped there would be action to put faith back in members of the community who had elected the councillors.

Cr H. W. Lee explained that installation of the gauges had been delayed as they are not available in Australia and had to be ordered from overseas. The gauges would be installed as soon as received and the services of an expert to read these gauges and analyse the findings has already been engaged by the council.

Altona Health Inspector, Mr Mifsud, said some of the gauges and equipment could be installed in one month's time.

Mr Warren, of Australian Carbon Black, pointed out to the residents that investigation of a number of complaints during the last two months had revealed that there were definite indications that the pollution was not of carbonaceous material. He also revealed that carbonaceous material could emanate from any factory burning fuel oil.

To ensure themselves that they are operating cleanly Mr Warren said the company had installed two gauges and has another on order—also from overseas. He said he was well aware the council could not purchase gauges in Australia as his company had purchased the last one available.

LADIES HOCKEY

B2 TEAM

Altona ladies hockey B2 team lost to A2 2-1. Altona, slow and sluggish in the first half let A have control, but after a good talk by coach Sel Ashman at half time much improvement was seen.

V. Wing was unlucky with a goal shot on the inner belt as it touched the goalkeeper before entering the net and was not allowed.

GOAL: P. Willett.
BEST: M. Lusoszek and P. Montague.

D NORTH

Altona D North drew with SHS 2-2.

Although Altona forwards had the ball in the circle for most of this match and about 30 shots for goal, they only managed twice to penetrate the backs massed in the circle.

GOALS: N. Skolny 2.
BEST: J. Pratt and C. Harley.

D RESERVE

Altona D Reserve lost to Ivanhoe 4-0.

Playing together for the first time with new coach Don Bright, the girls were down 3-0 at half time, but managed to hold Ivanhoe in the second half although two players short. Kay Scott played a spectacular game in goals, her first competitive match.

BEST: K. Scott and A. Buchanan.

UNDER 16 HOCKEY

Altona defeated Greensborough 4-2 in a good game at Royal Park last Saturday morning.

Altona were in command from the bully but failed to press home their superiority and only led by one goal at half time.

The pattern of play was similar until the seven minute mark when Altona scored their second goal. This livened Greensborough who replied with a goal then two more to Altona and one to Greensborough as the full time whistle ended a game that had showed little life until the final stages.

GOALS: R. Ford 4.

BEST PLAYERS were hard to find. Too many players were content to let the other fellow do it. Ford's four goals earned him best. Cronin played well for half a game. Forrester was also in this category. Lenszyn and Muscat with more thought and experience will give Altona great service in defence.

ALTONA ELDERLY CITIZENS NEWS

The very cold day did not deter 50 members attending the monthly birthday party at the Altona Elderly Citizens Club on April 30.

Besides the birthday members, guests included the secretary of the Yarraville Club, Mrs Fletcher, and her daughter.

Oldest member at the birthday table was Mrs Woodyard, who had the honour of cutting the birthday cake.

Games, community singing and items made the afternoon pass quickly.

Recent visitors to the club included three university students who came for lunch and stayed to observe the activities of the elderly citizens.

Young Wives Group

St. Eanswythe's Church of England Young Wives Group will hold their next meeting in the Church Hall next to the Post Office, on Tuesday, May 10, at 7.45 p.m.

Guest speaker for the evening will be a representative from the Meat and Allied Trades Federation, and he will advise the housewife on economical cuts of meat to buy and give useful hints on carving and serving.

In view of present day soaring meat prices this meeting is bound to appeal to the budget conscious housewife. So come along all Young Wives, and bring your friends, too.

PROTEST MEETING ON RISING COSTS — CONCERN FOR ELDERLY CITIZENS

Concern for the elderly citizens finances was strongly expressed by Cr. G. den Dulk at the council meeting last week.

He stressed both the needs of the Elderly Citizens Welfare Committee and also the financial difficulties of the individual elderly citizens. Cr den Dulk referred particularly to increase caused by the introduction of decimal currency and to general cost of living rises.

It was finally decided to convene a general protest meeting to which all residents would be invited to consider decimal currency rises and cost of living increases with particular regard to the elderly citizens position.

Cr den Dulk spoke of the needs of the Welfare Committee which has no income but relies on a council subsidy and donations which are not as great as they used to be. He said costs have risen and services for the elderly folk increased, but meals are still being provided at 25 cents each. It had been found necessary to purchase a bus to transport the elderly infirm.

The position of the committee is such that the financial situation is being scrutinised at three monthly intervals.

Cr den Dulk then deviated to complain of rises in costs due to decimal currency and other factors.

Shire President, Cr S. G. McIntosh, said he realised the matter goes further than the elderly citizens but they were his present worry.

Cr H. W. Lee supported Cr den Dulk particularly in regard to a public meeting to hear residents views on the rising costs of living and council agreed to leave it to the President to arrange a date and call the meeting.

As yet no date has been set.

C.W.A. BIRTHDAY

The ninth birthday of the Altona Branch of the Country Women's Association will be celebrated at a luncheon at the Homestead, 128 Queen Street, next Monday, May 9.

Guests for the day will include members of other CWA branches.

Local members are reminded that assistance will be needed earlier on this special day.

Commonwealth Youth Sunday

Commonwealth Youth Sunday was observed in Altona in fitting ceremonies.

A procession of youth organisations made an attractive sight as they marched from Logan Reserve down Pier Street to the Civic Centre.

The afternoon was organised by the Ministers Fraternal.

Marching in their own groups were scouts, cubs, guides and brownies, the Boys Brigade, Girls Life Brigade, St. John Ambulance, Altona Life Savers and youth club members. The only representatives of the sporting bodies were hockey players and the pedal club riders. Altona Primary was the lone school with children marching. At the best and least it was a fair cross section of Altona youth. A total of 222 young people marched. There was but a sprinkling of onlookers.

The hall was crowded at the Youth Service, Shire President Cr S. G. McIntosh and Crs Bond, Cresser and Crofts were in attendance.

Cr McIntosh gave a brief address on the privileges, rights and duties of youth. Four children participated in various parts of the service.

Rate Collection Good

Six hundred and seventy-six thousand and ninety-six dollars has been received in rates in Altona since October 1, 1965. Eighty-nine point six per cent of current rates have been paid.

Cr A. J. Fisher commenting on these figures said this reflected well on Altona ratepayers. In other areas payment of about 75 per cent, was the usual achievement.

Cr H. W. Lee agreed. He said he was staggered to learn of the 25 per cent, unpaid rates elsewhere. This figure had been substantiated.

The Shire President, Cr S. G. McIntosh, congratulated the staff on their success.
